## **THE PERRYS** from Gallatin, TN

Since the start in 1970, Libbi, Tracy and the rest of the Perrys have been thrilling audiences all over North America and beyond. People have seen them at Dollywood, Gaither Homecoming Events, and National Quartet Convention. Wherever you see them, they bring spine-tingling excitement through their music and great blessing through their ministry.

It is hard to believe the talent that is packed into every member of this wonderful family. You will be astounded at the excellence of their music and enraptured by the story of God's amazing grace in and through them as a family. Mother and musical mentor - Kim is considered to be the finest female pianist in America. I GUARANTEE you will be glad you attended this concert IF ONLY to hear Kim play the grand piano!
